REQUEST TO USE COMPUTER READABLE FORM FROM A RELATED APPLICATION

The computer readable form in this application is identical with that filed in application no. 09/033,549, filed March 2, 1998. In accordance with 37 C.F.R. § 1.821(e), please use the only computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in the application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included in the originally-filed specification of the instant application.

In compliance with 37 C.F.R. § 1.821(f), the undersigned declares that the nucleotide and amino acid sequences presented in the paper copy of the "Sequence Listing" submitted herewith are the same as the sequences contained in the computer-readable form of said "Sequence Listing" as submitted in the parent case, application no. 09/033,549.

Respectfully submitted,
